

## General Business AS Degree (AF23)- 67 Credit Hours

**Program Description:**

The Associate of Science in General Business degree program provides an introductory foundation to core aspects of the business environment while also preparing students for continued study in the field of business. The program develops skills through course work in communication, social/behavioral sciences, natural sciences and mathematics, and the humanities, as well as through course work in the business disciplines. Graduates may pursue additional education opportunities at senior institutions or pursue a variety of entry-level positions in the broad career field of business.
