

Phlebotomy Technician (PT21)—23 Credit Hours

Program Description:

The Phlebotomy Technician certificate program is committed to serving the medical laboratory community by educating students in human anatomy, medical terminology, patient care, and venipuncture technique. Graduates of the program are competent in collecting and processing blood specimens and are eligible to sit for the Phlebotomy Technician Certification (CPT) through the American Medical Technologist (AMT) Certification. American Medical Technologists (AMT) RPT Exam suggested <https://americanmedtech.org/> National Healthcareer Association (NHA) CPT Exam accepted [https://www.nhanow.com/certification/nha-certifications/certified-phlebotomy-technician-\(cpt\)](https://www.nhanow.com/certification/nha-certifications/certified-phlebotomy-technician-(cpt))
