

Institution Name: West Georgia Technical College

Program Type: Radiography

Degree Type: Associates of Applied Science

Program Effectiveness Data

The following is the most current program effectiveness data. Our programmatic accreditation agency, the Joint Review Committee on Education in Radiologic Technology (JRCERT), defines and publishes this information. [Click here](#) to go directly to the JRCERT webpage.

Credentialing Examination: The number of students who pass, on the first attempt, the American Registry of Radiologic Technologists (ARRT) certification examination, or an unrestricted state licensing examination, compared with the number of graduates who take the examination within six months of graduation. The five-year average benchmark established by the JRCERT is 75%.

Credentialing Examination Rate	number passed on 1 st attempt divided by number attempted within 6 months of graduation
Year	Results
Year 1 - 2019	19 of 19 - 100%
Year 2 - 2020	15 of 15 - 100%
Year 3 - 2021	18 of 18 - 100%
Year 4 - 2022	15 of 17 - 88%
Year 5 - 2023	16 of 17 - 94%
Program 5-Year Average	83 of 86 - 96.5%

Job Placement: The number of graduates employed in the radiologic sciences compared to the number of graduates actively seeking employment in the radiologic sciences within twelve months of graduating. The five-year average benchmark established by the JRCERT is 75%.

Job Placement Rate	number employed divided by number actively seeking employment within 12 months of graduation
Year	Results
Year 1 - 2019	19 of 19 - 100%
Year 2 - 2020	15 of 15 - 100%
Year 3 - 2021	18 of 18 - 100%
Year 4 - 2022	17 of 17 - 100%
Year 5 - 2023	17 of 17 - 100%
Program 5-Year Average	86 of 86 - 100.0%

Program Completion: The number of students who complete the program within the stated program length. The annual benchmark established by the program is 85%.

Program Completion Rate	number graduated divided by number started the program
Year	Results
Year - 2023	17 of 18
Annual Completion Rate	94.4%

PROGRAM GOALS

1. Students will be clinically competent.

Student Learning Outcomes:

- Students will demonstrate appropriate positioning skills.
- Students will select appropriate technical factors.
- Students will practice radiation safety in accordance with ALARA principle.

2. Students will communicate effectively.

Student Learning Outcome:

- Students will demonstrate effective oral communication skills.
- Students will demonstrate effective written communication skills.

3. Students will develop critical thinking and problem-solving skills.

Student Learning Outcomes:

- Students will adapt to new situations.
- Students will be able to make necessary corrections for positioning and/or technique factors.

4. Students will demonstrate professionalism.

Student Learning Outcome:

- Students will develop work habits appropriate for the healthcare community.
- Students will demonstrate a positive attitude within the healthcare community.

5. The program will graduate entry-level technologists.

Student Learning Outcomes:

- Graduates will be employed in the field or a related field or they will continue their education within twelve months of graduation. Before 2014, the job placement rate was calculated six months after graduation.
- Employers will rate the technical education of the graduates as effective or very effective.
- Graduates will be satisfied or very satisfied with their education.
- Graduates will pass the ARRT Certification Examination on the first attempt.
- Students entering the program will complete the program.

The radiography program at West Georgia Technical College is accredited by the:

Joint Review Committee on Education in Radiologic Technology

20 North Wacker Drive, Suite 2850

Chicago, IL 60606-3182

312-704-5300

Email: mail@jrcert.org

The program's current accreditation award is 8 (eight) years. [Click Here](#) for general program accreditation information and the current accreditation award letter.
